Summary

Recent graduate of Carleton University's Coding Bootcamp. I'm a hard working, young and patient Sudanese entrepreneur who has one year of University(business), one senior level Full Stack Web Development course and currently taking two senior level database programs to improve my skills in mongoDB and mongoose. I love business/coding and my passion grows everyday. Fluent in english and arabic also currently learning Spanish. I am mobile and able to travel for work related purposes. Feel free to contact me about work through my phone number or email above.
